

HAFIZ JUNAID KHAN

UX/UI DESIGNER

+44 7818654236 | khannjunaid556@gmail.com | www.junaidkhan.co.uk

Experienced UI/UX Designer with a background of more than three years in crafting adaptable web and mobile applications for various sectors such as wellbeing, retail, fintech, eCommerce, and automotive. Proficient in agile approaches, resolving challenges, and incorporating continual feedback. Committed to providing user-focused solutions and keeping abreast of industry developments.

PROFESSIONAL EXPERIENCE

Customer Assistant | Tesco

Nov 2021 - Present

- Provide friendly, efficient customer service and resolve queries.
- Operate tills, process payments, and handle refunds accurately.
- Restock shelves and maintain clean, organised displays.
- Support stock control and assist with online order collections.
- Work flexibly across store areas to meet operational needs.

UI/UX Designer | Unii

Mar 2024 - Mar 2025

- Lead the design process for web and mobile applications, ensuring user-friendly and aesthetically pleasing interfaces.
- Collaborate with cross-functional teams to deliver design solutions that meet business and user needs.
- Conduct user research and usability testing to inform design decisions and improve user experiences.
- Implement continuous feedback loops to iterate and refine designs, ensuring alignment with user expectations and project goals.
- Design engaging social media content to enhance the company's online presence and brand visibility.
- Oversee website revamping projects to modernize and improve user experience and interface design.

Freelance UI/UX Designer

2021 - 2023

- Emphasized client satisfaction by conducting detailed consultations and maintaining open communication to grasp project needs thoroughly.
- Conducted thorough project reviews to guarantee final outcomes that not only meet but surpass client expectations.

UI/UX Designer | Ordercall Pvt Ltd

2020 - 2021

- As the sole designer, I was in charge of conceptualizing and creating the entire design for a new B2B eCommerce app.
- Successfully developed the UI/UX of the app from the ground up in just three months, showcasing creativity and a commitment to meeting deadlines.

UI/UX Designer | Aciano Technologies

2019 - 2021

- Started as an intern and transitioned to a Junior Designer, working on various projects in different industries like Fintech, Automobile and eCommerce.
- Participated in cross-functional teamwork with business consultants and developers to devise technically viable design solutions.
- Oversaw project schedules to provide top-notch design solutions while adhering to technical limitations.
